Multan, Pakistan

PROFESSIONAL OBJECTIVE

Computer Science student with strong programming and IT infrastructure skills. Seeking opportunities in software development and technical roles to apply hands-on troubleshooting, networking, and development expertise while contributing to organizational growth.

EDUCATION

Bachelor of Science in Computer Science | FAST NUCES (September 2024 – Present, 4th Semester)

- Current Focus: Data Structures, OOP, Web Development, Programming Fundamentals

Intermediate Certificate in Science (I.C.S) | Nishat College of Science, Multan (2022–2024)

Matriculation | Nishat Boys High School, Multan (2014–2022)

TECHNICAL PROJECTS

EduIG-Pipeline | Python | Full-Stack Development | GitHub Repository

- Educational project: Instagram public account information scraper with complete backend and frontend implementation
- Built robust web scraping infrastructure with data processing and visualization capabilities
- Integrated responsive frontend for user-friendly data exploration and analytics

LeadMap | Python, React, PostgreSQL | Full-Stack SaaS

- Lead discovery platform integrating Google Places API with configurable rule-based scoring engine to identify high-intent business prospects
- Built FastAPI backend with async task queues, Redis caching, and enrichment service; React dashboard with lead management, rule builder, and CSV export
- Designed multi-niche framework with campaign tracking, suppression lists, and templated outreach generation

TECHNICAL SKILLS

Programming Languages: Java • C++ • Python • HTML • CSS • JavaScript

Tools & Technologies: Git • Antigravity • AI Agents • Windows OS • Linux (Command Line, File Management, Permissions) • Network Troubleshooting • Hardware/Software Maintenance • Microsoft Office Suite

Professional Skills: Problem-Solving • Technical Support • Communication • Time Management • Team Collaboration

PROFESSIONAL EXPERIENCE & AFFILIATIONS

Co-Lead – AWS Cloud Club | September 2025 – Present

- Leading peer engagement in cloud computing and AWS services; organizing workshops and training sessions

General Member – MLSA (Microsoft Learn Student Ambassador) Society | September 2025 – Present

- Member of FAST NUCES' official Microsoft Learn Student Ambassador society in collaboration with Microsoft; MEDIA Team contributor

Volunteer – NUTECH Event | November 2024

- Volunteered for NUTECH, a major technology event at FAST NUCES; received Certificate of Participation

CERTIFICATIONS & TRAINING
